- 1 Print this INDEX page.
- 2 Decide where you are inserting the INDEX in your scriptures. We recommend the back of your Bible or Triple Combination.
- **3** Cut along the dotted lines on the bottom and sides and continue to the top of the paper.
- 4 Place <u>removable</u> glue on the BACK of the page along the edge that goes into the scriptures.
- 5 Place the page in your scriptures. It helps to run your finger down the inside edge of the page to secure the glue.
